Historic Lübeck

Local Life

Culture & Experiences

Your time in Lübeck might take you into hidden passageways and courtyards, up St. Petri for a view across the old town, or through the weekly market and the small shops along Hüxstraße. Some evenings are more relaxed – sitting in a summer garden or listening to live music at Tonfink. And in between, there's time to wander, people-watch or simply stop somewhere because it catches your attention.
